NSSUF241WWW/5 -86°C Select™ Ultra-Low Upright Freezer

Manufacturer:

SKU#: 8265-10-1008

Upright models available in 14.3ft³, 18.9ft³, 23.3ft³ and 27.5ft³ internal storage capacity Operating temperature range: -50°C to -86°C Next generation 1HP low noise high efficiency compressors Exclusive cascade refrigeration and cabinet design Programmable logic microprocessor controller with LCD digital display High/low audible and visual temperature alarms, remote alarm contacts Door ajar alarm, on board diagnostics, surge protector, password protection, real time clock and battery backup of controller display UL, C-UL listed Warranties: 18 months parts and labor, 5 year compressor (Domestic), 18 months parts (International)

Product Description

High-impact, smooth scratch and corrosion resistant painted exterior and smooth white painted interior, provides attractive appearance and easy to clean surfaces. Interior and exterior of the freezer cabinet are white painted galvanized steel. Combination cabinet mounted multi-bulb and door perimeter gaskets provide multiple points of door sealing. Ensures reliable frost resistant performance and enhances energy efficient cold performance for long term sample security and storage. Interior doors (5) independent hinged steel inner doors are constructed of insulated panels with magnetic catch and easy pull handles. Reduces cold loss during door openings and sample retrieval. Easy open integrated outer door latch and handle allows one-handed opening and closing. Door activated electro-magnetic switch for use with door ajar alarm, optional CO2/LN2 backup systems and vacuum relief system. 1 inch diameter sensor access ports (2), located in top and bottom of back wall of cabinet for use with monitoring sensor probes. Advanced PLC (programmable logic) microprocessor controller (door mounted eye level display and interface) includes real time clock, event logging alarm history, advanced alarms, alarm-test, and memory functions. Password protection (2 levels, setpoints and parameters) security for power, temperature and alarm settings.

WHY BUY FROM GMI?

Your trusted source for Used & New lab equipments, Parts, Factory Clearance instrument service since 1985.

**TRADE IT.
UPGRADE IT.**

We routinely save discerning laboratories 50-80% off retail on our recertified instrument offerings.

Quality? ISO 9001:2008 certified means we remove 100% of the risk in buying 'used' laboratory equipment.

Warranties from 90 days to a year as well as multi-year service agreements are available.

GMI is an industry-leading distributor of brand new laboratory equipment and instruments. We supply a wide range of cutting-edge analytical instruments including centrifuges, gas chromatographs, freezers, thermal cyclers, and more. Choose from more than a thousand of new and innovative lab instruments that meet specifications and come with warranties up to 1 year.
