

Lab Companion Refrigerated Bath Circulators

Manufacturer: Jeio Tech, Inc

SKU#: 8194-10-0985

- Auto-tuning function for exact temp. control.
- Bias function to calibrate temp. difference between display (SV) and actual temp.(PV) easily.
- CLS (Custom Logical Safe) Control System.
- PID microprocessor controller (touch pad type) achieves accurate temp. control.
- Use of CFC-free refrigerant meets environmental safety regulation.
- RW has low water level as well as safety cut-out.
- Polyurethane foam insulation provides stable temp. condition within bath
- Built-in motor-driven circulation pump ensures uniform temp. distribution within the bath.
- Perforated panel allows protection of heater and sensor.
- RS-232 interface for full remote PC control that can monitor temp. control and print graph of temp. and condition.

Product Description

RW-0525GThe Lab Companion Refrigerated Bath Circulators model RW-0525G has a capacity of 4L-6L and has a temperature range of Amb +5°C - 40°C with an accuracy of +/- 5°C at -10°C and uniformity +/- 0.1°C at -10°C. Its dimensions 302 x 438 x 690 mm externally and requires a power source of 230VAC 50/60Hz 6.7A or 120VAC 60Hz 12.6A. The unit weighs 37 Kg.

RW-1025GThe Lab Companion Refrigerated Bath Circulators model RW-1025G has a capacity of 9L-11L and has a temperature range of Amb +5°C - 40°C with an accuracy of +/- 5°C at -10°C and uniformity +/- 0.1°C at -10°C. Its dimensions 360 x 490 x 780 mm externally and requires a power source of 230VAC 50/60Hz 9.8A 120VAC 60Hz 12.6A. The unit weighs 44 Kg.

Lab Companion Refrigerated Bath Circulators Specification

WHY BUY FROM GMI?

Your trusted source for Used & New lab equipments, Parts, Factory Clearance instrument service since 1985.

We routinely save discerning laboratories Quality? ISO 9001:2008 certified means Warranties from 90 days to a year as well

50-80% off retail on our recertified instrument offerings.

we remove 100% of the risk in buying 'used' laboratory equipment.

as multi-year service agreements are available.

GMI is an industry-leading distributor of brand new laboratory equipment and instruments. We supply a wide range of cutting-edge analytical instruments including centrifuges, gas chromatographs, freezers, thermal cyclers, and more. Choose from more than a thousand of new and innovative lab instruments that meet specifications and come with warranties up to 1 year.
