

## **ADVANTAGES OF RS-44b (R453A) VS RS-44 (R424A)**

- 1. Same flow rate as R22**
- 2. Similar discharge pressure as R22**
- 3. Similar energy efficiency as R22**
- 4. Matches R22 cooling capacity**
- 5. No system component changes required**
- 6. Replaces R22 in both A/C and Refrigeration down to -20°F evap. temp.**
- 7. Lowest GWP HFC R22 replacement on the market at 1664 TAR**

## **OTHER RS-44b SYSTEM ADVANTAGES**

- 1. No oil change required**
- 2. Compatible with mineral, AB and POE oils**
- 3. Lower discharge temperature than R22**
- 4. Zero Ozone Depletion**
- 5. Use same service equipment as R22**
- 6. Non-flammable & toxicity**
